

# PROVEN PERFORMANCE

## VS. MYTH AND HYPE

**FACTS!**  
FROM OUR CUSTOMERS

The compliment most often heard is,  
***"I wish our other equipment ran as good as our DIDION."***  
— Numerous Sources

- ★ "The Performance and Payback far exceeded our expectations. Having clean returns from our DIDION increased our melting efficiency by 15%." — *Tony Kuwica, Robar Industries*
- ★ "Our DIDION streamlined our production flow from Shakeout through Finishing and eliminated the cleaning room bottleneck. We have significant savings in Labor, Sand and Shot Purchases. Reductions in Maintenance, Disposal costs and Silica dust were extra benefits." — *Gavin Trigg, Trigg Bros. Pty. Ltd.*
- ★ "Excellent Equipment with Impeccable Service! The engineering assistance from DIDION provided us with a great system with Minimal Maintenance. We now have the **BEST SAND EVER.**" — *Kyle Kolander, O'Hare Foundry Corp.*
- ★ "The Savings from lower finishing costs, less labor, cleaner workplace, less maintenance, lower energy costs and increased melting efficiency reduced our operating costs by 3 cents / lb." — *Bill Grimes, Gartland Foundry.*
